BUY ONE. PLANT ONE.®

IT'S THAT SIMPLE.

Zippos has partnered with WOODCHUCK USA to create wooden laser-cut emblem designs that will help restore and protect the forests of the world. Through the Buy One, Plant One® initiative, for each lighter purchased, a tree is planted. Each one comes with a unique code that you can use to learn about your tree, its location, and the direct impact you're having on the planet.

The launch of WOODCHUCK USA Zippos lighters will be heavily supported by both brands with an integrated marketing campaign and extensive consumer outreach.

MAKE IT A PIPE LIGHTER

Easy to order, easy to sell

Demand for pipe lighter models has risen dramatically in the past two years, and is anticipated to continue to grow.

- Pipe lighter insert allows the user to direct and draw the yellow flame downward without scorching the pipe or the user's fingers.
- Any regular size Zippo lighter can be ordered with the pipe insert instead of the regular insert. When ordering, add PL to the model number and \$1.50 to the retail price. Contact your sales associate to learn more.
- Pipe Lighter inserts are not sold separately, and must be fit to the lighter at the Zippo factory to ensure it meets our quality standards.

♦ Lighters shown on page 6 come standard with a pipe insert.

Luck-themed lighters are consistent high performers, for a good reason.

The Zippo pocket lighter itself has earned a reputation for being a lucky talisman. Countless stories have been told about a Zippo lighter saving lives, some tell of deflected bullets, others as a reliable signal for help. There are also stories of a Zippo lighter turning up in unusual places, like the belly of a caught fish or a slain bear, and coming out in working order. And because of the Zippo guarantee, the windproof lighter can be a cherished heirloom, passed from generation to generation and carrying the wisdom and good fortune of loved ones with us.

Some would say the lighter brings double the luck when decorated with other talismans of good fortune. Stock a full range of these lucky lighters to usher in prosperity – for you and your customers!

Vintage Lighters

There's Nothing Old About Zippo Vintage

The success of Zippo's 50th anniversary commemorative lighter in 1982 was a strong indicator that Zippo customers and collectors were receptive to the addition of more vintage-style lighters to the product line. Zippo Vintage lighters were introduced in 1985, designed after a similar Zippo lighter created in 1937.

Distinctive features:

- Five-barrel hinge that joins the lid and the bottom; same as current Zippo lighter.
- Sides of the unit are flat, with rounded corners and edges replacing the 1935 square case.
- Flat bottom and top case with current bottom stamp.
- Standard packaging: cardboard box with a special 'Vintage' I-card.

PACKAGING

One Box

Unless otherwise stated, every Zippo windproof lighter in this catalog is packaged in the dealer friendly “one box”. Both the attractive gift box and the cardboard I-card are 100% recyclable. The patented “one box” is attractive, easy to handle and designed to fit in every Zippo display.

1935 Replica

Both 1935 Replica Models come in a standout vintage version of the “One Box.” The metallic gray lid features an embossed image of Windy easily igniting her Zippo Windproof Lighter on a blustery day, along with the period-correct Zippo logo and early slogan of “A Week’s Trial, Then All the While.” The box’s flocked insert snugly holds the replica model, while a special I-card lets customers know they are looking at a genuine 1935 replica.

1935 Replica lighters shown on page 54.

1941 Replica

Each 1941 Replica Zippo lighter comes in a unique version of the “One Box.” The metallic gray lid features a retro art deco element and period-correct Zippo logo, along with the famous slogan that had been slightly updated throughout the early years: “A Week’s Trial, Then-All The While.” A black flocked insert protects the replica lighter, and features an exclusive 1941 Replica lighter I-card.

1941 Replica lighters shown on page 54.

ZLuxury

The ZLuxury box was designed especially to showcase the incredible engraving that envelopes each Armor 360° MultiCut Zippo lighter. A high-density foam insert securely holds the lighter, while mirrored wings allow a wraparound view of the design without removing the lighter from the packaging or display case. Silver, black and red foil stamped accents adorn the lid and makes for an elegant gift presentation. ZLuxury packaging comes standard with all MultiCut lighters.

ZLuxury packaged lighters shown on pages 14 and 15.
