INTRODUCING *African Baskets*

"As a female designer, I am inspired by craft traditions of women from around the world. This new collection honors the remarkably intricately woven baskets of Africa, rendered in sand-cast metal with beautiful finishes. Versatile on the table, these bowls are amazing when grouped together as wall hangings."

- Beatriz Ball

Dishwasher-safe, decorative, and also perfect for serving.

INDOOR | OUTDOOR PLACEMATS

Give any table a mini makeover with their various tones, patterns, and textures. Sold in sets of four, these versatile designs have the look of a handloomed piece, but with the durability and carefree quality you'll love. Generously sized for a handsome look on your table. Pair them with our Easy Peasy napkins for a great add-on.

Easy care, wash with soap and water. Made of eco-friendly, high quality, environmentally safe PVC. Phthalate free.
