COMPANY HISTORY

Founded in 2004 by Georg Baehler and Stephanie Lu, Noir Trading is a handcrafted residential and commercial furniture design and manufacturing company offering over 1500 pieces of lighting, case goods, upholstery and decorative accessories.

We See the World Differently

In a world where automation is the standard and design is driven by ease in production, not only do we see the world differently, we are different. Our inspiration can come from raw materials, novel applications or a past design. Wherever we derive our inspiration, innovation is embraced wholeheartedly.

Crafted by Hand

From hand drawn renderings by Noir's solo designer Georg Baehler to the finished product, each piece is a unique, living thing that our craftsmen artfully bring to life.

Change is Our Lifeblood

Whether it is uniquely a Noir design or a reinvented classic, our innovation begins with novel applications of unusual materials.

Everyday Value

By selecting quality raw materials, using solid wood construction or hard carving details, our pieces are built for a lifetime of beauty and enjoyment.

Underlying Aesthetic

Each piece we create reflects our commitment to beauty. From the drafting table to production, Noir products have a singular, cohesive vision with the breadth to complement a full range of interior design styles from Classical and Traditional to Mid-Century and Modern.

Where to Buy

Noir is available through the Trade as well as select retailers. For local retailers, please visit the retail locator on our website. Noir also has representative showrooms in Dallas (World Trade Center), Denver, Laguna Niguel (Laguna Design Center), Los Angeles (LA Mart), and New Jersey.

TERMS & CONDITIONS

Noir strongly recommends the use of coasters, place mats and trivets under hot and cold items to protect the finish of our items. Some items, such as our waxed tables, will be more susceptible to heat/cold/moisture than others. To achieve the natural look, Noir applies wax only on the surface of the tabletops. If coasters are not used, rings will appear on the surface.

Shipping

All orders are shipped with our preferred blanket-wrap carriers: Trail Lines or American West. Detailed information about shipping to your specific state, including rates, is available from your Territory Manager.

All prices are F.O.B. Noir Trading, Inc., Gardena, CA.

Noir does not arrange "inside delivery" or residential deliveries of any kind.

Damages & Claims

Noir Trading, Inc. is not responsible for freight damage. Prior to shipping, all items are inspected by our warehouse team. You or your appointed receiving agent is responsible for inspecting each item upon receipt of delivery. All damages and discrepancies must be clearly noted on the carrier's bill of lading before the driver leaves your location. If the damage is severe and you feel that it cannot be easily fixed, please refuse the damaged item.

If the items from your shipment are damaged or missing, please complete and submit a claim form. Include multiple images of the damage item to your Territory Manager. If damages are not noted at the time of delivery, Noir has no recourse with its carriers and no claims will be honored.

Knots, gouges, small cracks and nail holes are inherent characteristics of many of our wood products and do not constitute damage/defects. No claims will be considered for these characteristics.

Claims Policies

- 1) All customers are to submit claim forms with photos, 1 distant and 2 detailed images to your local Territory Manager. Claims will only be accepted from the purchaser, claims submitted by the receiver will be returned. Please allow 3 to 5 days for the claim to be reviewed by the claims department.
- 2) Items from Noir Trading are distressed. The lumber used in the making of our furniture is distressed lumber. Knots are inherent in the lumber and something Noir considers acceptable. As a natural material, shipped stones may vary in color, pattern, texture, or veining. Variances to the stone may include spots that are darker in tone than the rest of the stone. Metal items are intended to have a rustic appearance that may include spotting and variances in tone and luster. Upholstered items are hand woven and will have minor imperfections.
- 3) All shipping damages and shortages must be noted at the time of delivery and clearly noted on the POD. If you have any doubts of the quality or the ability to repair an item, please refuse. If you have appointed a receiving company to receive your order, please review the character of the Noir line. All items are to be thoroughly inspected upon delivery. Any damaged item that is not noted on the POD at time of delivery, will not be considered a valid claim. This includes removing all packaging to inspect items. Please note that filing a claim on upholstered items will be determined by Noir on an individual basis. Please note that dye lots may vary from batch to batch.
- 4) If items arrive damaged and have been refused, please submit a claim to your Territory Manager. A replacement will be sent if the item is in stock. If Noir does not have stock on the item, Noir must wait for the item to be returned by the freight carrier to determine if the item can be repaired and re shipped.
- 5) Noir requires minor shipping damages to be handled locally. In some cases, this might require a local repair company to come and touch up items. Or, if the damage is minor, the items can be touched-up by the customer. All 3rd party repairs must be formally quoted and submitted for approval. Not all repair costs will be approved.
- 6) Replacements may take up to 5 business days to prepare for shipping. Standard freight times will apply; Noir does not offer expedited shipping for replacement items.
- 7) Retrievals may take up to 6 weeks. For local California customers, replacement items will not be released until the original item has been returned.
- 8) All sales are final. Returns are not accepted without written approval from Noir.
- 9) Freight will not be refunded under any circumstances.
- 10) Quality complaints - Customers are allowed to refuse items at the time of delivery if they are unhappy with the item for any reason.
- 11) Noir will only allow 7 months for customers to file a claim on the cracking of wood. Environmental cracks should only occur within 1 - 6 months upon arrival. Noir will allow one month extra of additional time to file a claim. If a Noir item cracks after the allotted claims period, it is assumed the damage has been caused by improper storage or extreme conditions. Cracking can occur from winter heating, summer humidity, or regional factors such as elevation or arid conditions. Customers in Utah, Arizona, Colorado and Idaho are at a higher risk for cracking than other states. Please review the High Risk List found on our website. Solid wood furniture must be kept in a climate controlled environment. Noir will not allow customers to file claims on any item after 1 year for any reason.
- 12) All Items (including lighting) may have a slight variance in finishes and dimensions. HB, WH and D1 finishes are the most consistent. Due to the handmade nature of items and finishes, Noir suggests that items intended for the same room are shipped at the same time. Items ordered at different times may vary slightly in both size and finish.

TERMS & CONDITIONS CONT'D

13) Noir recommends the use of coasters or placemats on all of our finishes. Claims will not be honored for customer misuse.

14) Due to the hand made nature of our items, most items have seams. If you find seams unsightly, a touch up kit can be provided to reduce the appearance. Costs associated with the repair are not reimbursable.

15) Noir Trading uses floating panels to reduce cracking. Due to the items being made of solid wood, the panels may shrink leaving slight separation in the finish. Noir does not accept claims for this issue. Noir can supply a touch up kit to correct the separation, however Noir will not assist in any cost associated with applying the touch up.

16) Stone - All stone will vary in color and veining. The stone may vary from batch to batch, shipment to shipment.

17) If you are having issues with the finish of any item please describe in detail. If Noir determines the item is defective, Noir will replace the item and will in most cases pick up the original.

18) Cleaning - Customers are only to use a damp rag on all items including metal. The use of chemical household cleaners may damage the finish or item.

Warranty

Noir Trading, Inc. guarantees its product to be free from defects of workmanship. Due to environmental conditions, including humidity or high altitudes, wood may expand or shrink. Noir takes great care to construct furniture in a manner that allows the wood to shrink and expand. Although very rare, with extreme temperature changes, cracks may appear. Claims of this nature must be submitted within 3 months of purchase and will be assessed on a case-by-case basis. Noir does not accept returns without written authorization from its office. Due to the nature of handcrafted products, dimensions, details and /or colors represented in our catalogs may vary. The antique/one of a kind product may vary significantly.
