Lisa Walker

COLLECTION

Design.ME is proud to be partnering with the queen of balayage: Lisa Walker. These products will not only give stylists and their clients the look they desire, but also break a rule or two by simplifying the color process.

TEASE.me BALAYAGE TEASING SPRAY

With the Balayage trend here to stay, what better way to achieve the perfect free-hand balayage than with a little tease? Work with finer sections to create softer, more gentle results, giving your client exactly what they dreamt of.

DETANGLE.me DETANGLING SPRAY

“No pain, no gain” says who? We all know that dreaded moment when your backcombed highlights are ready to go. Now you can minimize pain, split ends and breakage.

BALANCE.me POROSITY EQUALIZER SPRAY

Ease your mind with this gentle and lightweight formula to make sure the pigment is absorbed evenly on hair that may be uneven or high porosity.
